After Christmas sales!

5:00pm – Depart **Destiny USA** and travel a short distance to **Lights on the Lake where we will drive through this magnificent display with our motorcoach.**
- Since opening in 1990, more than one million vehicles have traveled through Lights on the Lake.
- Today, the holiday light show stretches for two miles along Onondaga Lake and features more than 600,000 light bulbs across more than 300 displays. The scale of the show has grown dramatically from that first year, and so has the work required to bring it to life.
